TELEPHONE PAYS WELL

Paia Church Meeting. Big Sugar Profits. Maui Doings.

MAUI, January 21.—Tuesday afternoon the stockholders of the Maui Telephone Company held their annual meeting at the Paia plantation office and re-elected all their officers except four of the directors, who held over. The officers of the company are H. P. Baldwin, president; D. C. Lindsay, vice president; W. S. Nicoll, secretary; E. B. Carley, treasurer; Messrs. R. F. Engle, J. W. Fleming, R. A. Wadsworth, H. A. Baldwin, C. D. Lurkin and W. O. Aiken, directors.

At a meeting of the directors it was decided to run a new line to the house of the manager of the Kailua section of Paia plantation, to extend the line along the Hamakua ditch and to construct a new line from Kailua (Huelo) to Keanae. The poles for these improvements have just arrived by the Nebraskan.

The telephone company is in a most prosperous condition under the management of Superintendent E. B. Carley and will continue to pay the regular 1 per cent per month dividend.

ENTERTAINMENT.

Saturday evening Mrs. Dora von Tempky gave a high tea at her residence at Puuomalei, Makawao. There was tennis playing before dark, then card playing (pedro) and a fine spread followed by dancing until 11 or 12 o'clock. The forty or fifty guests present hugely enjoyed themselves, the cool weather making the exercise of dancing the more attractive.

CHURCH MEETING.

Tuesday evening the annual society meeting of the Paia Foreign Church was held in the church parlors. Dr. Beckwith's resignation as pastor was accepted with much regret and a committee composed of H. P. Baldwin, D. C. Lindsay and W. S. Nicoll was appointed to procure a minister to fill the vacant position, both temporarily and permanently.

Nothing definite has been done about the matter as yet. All the officers of the society were re-elected.

The barkentine Mary Winkelman did not leave Kahului until Sunday for Grays Harbor, Wash. The delay was caused by the dismissal of one sailor and the shipping of another.

With sugar at \$100 or more a ton prosperity should be the rule on Maui and throughout the Territory. For example, Puunene, the largest plantation on the island, with a predicted yield of 35,000 tons of sugar, should show an income of \$3,500,000, and deducting expenses, roughly estimated at \$150,000 a month (a matter of \$1,800,000 for the year), should have a profit of \$1,700,000. No wonder H. C. & S. Co., Pioneer and other stocks are on the rise.

It is reported that Sheriff L. M. Baldwin of Maui has been offered the position of Sheriff of Hawaii, but prefers to retain his present billet. It

WHAT IT WILL DO.

A woman buys a sewing machine for what it will do; not as an article of furniture. A man carries a watch to tell him the time; not as an investment of surplus capital. The same principle when one is ill. We want the medicine or the treatment which will relieve and cure. The friend in need must be a friend indeed, something, or somebody, with a reputation. There should be no guesswork in treating disease. People have the right to know what a medicine is, and what it will do, before they take it. It must have behind it an open record of benefit to others for the same diseases, a series of cures that proves its merit and inspires confidence. It is because it has such a record that WAMPOLE'S PREPARATION is bought and used without hesitation or doubt. Its Good Name is the solid basis for the faith the people have in it; and a good name has to be earned by good deeds. It does what you have a right to expect it to do. It is palatable as honey and contains all the nutritive and curative properties of Pure Cod Liver Oil, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. In Scrofula, Anemia, Nervous and General Debility, Influenza and Wasting Complaints, it is to be thoroughly relied upon. Doctor J. L. Carrick says: "I have had remarkable success with it in the treatment of Consumption, Chronic Bronchitis, Catarrh and Scrofulous Affections. It is of special value in nervous prostration and depraved nutrition; it stimulates the appetite and the digestion, promotes assimilation, and enters directly into the circulation with the food. I consider it a marvelous success in medicine." Every dose effective. "You cannot be disappointed in it." Sold by chemists throughout the world.

So Different

Lots of Claims Like This, But so Different—Local Proof is What Honolulu People Want.

There are a great many of them. Every paper has its share. Statements hard to believe, harder to prove.

Statements from far-away places. What people say in Florida. Public expressions from California. Oftentimes good endorsement there. But of little service here at home. Honolulu people want local proof. The sayings of neighbors, friends and citizens.

Home endorsement counts. It disarms the skeptic; is beyond dispute.

This is the backing that stands behind every box of Doan's Kidney Pills. Here is a case of it. Mr. Cyrus S. Edison of Kaplani Park, this city, says: "I am at present a teamster and came to the Islands fifteen years ago. Previous to that I drove a stage coach in the United States. These occupations necessitating my being out at all seasons were no doubt the cause of my kidney disorder. I had the ordinary symptoms of this complaint, and resorted to a host of things to cure it. All of them failed to do so, however, and when I had almost given up hope I heard about Doan's Backache Kidney Pills and got some at the Hollister Drug Co.'s store. They did indeed relieve me and I am quite satisfied with the benefit they have been to me."

Doan's Backache Kidney Pills are for sale by all dealers; price 50 cents per box (six boxes \$2.50). Made by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.

It would be difficult to find more honest men than Sheriff Baldwin of Wailuku and Sheriff Andrews of Hilo.

John C. Searle of Hilo, Hawaii, who will soon succeed Sheriff Andrews, is the brother of R. C. Searle of Honolulu ranch, Lahaina.

On Tuesday a Kula rancher was fined \$10 by the Makawao court for transgressing the wide tire act of 1898. He was stopped on the plains by a policeman while conveying a load of produce to Kahului.

A crater party that visited Haleakala recently reports icicles hanging from the mouth of the cave near the summit.

A fine large cottage is being built by the Maui Agricultural Company at Kailua on Paia plantation for the use of G. W. Wilbur, who is managing that section of the sugar estate. J. J. Hair has succeeded to the management of the Kailuani section.

The committee appointed to select and order the new books for the Makawao Book Club for '95 and '96 are Mrs. H. A. Baldwin, Mrs. W. S. Nicoll and Mrs. F. W. Hardy.

SUNDAY DRUNKS VANISHING ITEM

Thirty cases are on the calendar of the Police Court for this morning, not counting those postponed from last week. Of these thirty, nineteen are for gambling, all but four being Japanese, and six for some sort of fighting, ranging from affray to assault with a dangerous weapon.

A most remarkable showing is made in the number of drunks, there being two arrests only on that charge, and they were arrested Saturday. In former times, before the enforcing of the Sunday and liquor laws, a very large proportion of the Monday morning calendar was made up of drunks.

At a club banquet in Kansas City some time ago Congressman Tarsney responded to the toast, "The Ladies of Missouri." He was eloquent, according to the Kansas City Journal. He told how the rose had been robbed of its color to form the Missouri woman's lips. He put the damask of the cherry upon her cheeks. He tore the stars from the skies to make the light of her eye. He reached the topmost pinnacle of praise and adulation. Then the Kansas lady who was to respond to the toast, "The Ladies of Kansas," rose and said, with a slight drawl: "The women of Kansas are all that, and then some."

It was a "raise" something like that made by an American colored gentleman, who, by some hocus pocus had got into a poker game in a London club. His vis-a-vis, an Englishman, picked up three kings and a pair of deuces and said: "I raise the pot one pound." The colored gentleman picked up four aces. His eyes almost popped from his head. He said stammeringly, "I don't know much about de system of weights and measures in his head country, but I see agwine to raise you a ton!"

WIRES AND HELIOGRAPH

The Signal Corps Men Work Under Difficulties.

The signal corps men of the National Guard of Hawaii spent yesterday in making signals across the intervening country from Diamond Head to Barber's Point, with intermediate work at Pearl City.

The practice was not entirely successful owing to the fact that when Diamond Head signaled by heliograph to Barber's Point and the men at the latter point started to heliograph back, clouds obscured the sun, and vice versa. This was a constant interruption.

The Diamond Head men, under Lieut. Cummins, also did telephone work, running a field line from the road skirting the base of Diamond Head to the summit. The wires were well laid and continuous communication was maintained.

On Saturday night communication was maintained from Punaohia to Pearl Harbor by the use of acetylene lamps.

IN MEMORY OF PLOWMAN POET

The Scottish Thistle Club intends to celebrate the Burns anniversary on a more elaborate scale than usual and is at present directing its best energies to make its smoking concert on the 25th inst. a huge success. An interesting and varied program will be presented and the solos, recitations and speeches will be of the most up to date order.

The speakers include Lorin Andrews, W. Breckons, G. W. Smith, Robert Patton, D. W. Anderson and W. R. Harrington.

The vocal part will be ably sustained by I. Dillingham, Hugo Herzer and other well known vocalists, such as J. L. Cockburn, D. W. Anderson, S. Livingston and W. L. Stanley. Among the most interesting numbers will be those of Mr. Dillingham in "Angus Macdonald," and Mr. Herzer in "The Star of Robbie Burns."

Recitations by Bruce Hartman and J. F. Dick will be a feature of the program. The latter is a recent arrival from the land of cakes and brings with him an excellent reputation as a Scottish entertainer, while the former has already established himself a prime favorite in elocutionary efforts in local circles.

From the initial stages of the entertainment a pleasant and enjoyable night will be assured the members of the club and their numerous friends up to the closing moments.
